

CALWAY Eggplant

With ancient roots dating back as far as 400 AD, our Calway eggplant too has a rich history and stellar reputation. Using proven, responsible growing practices, each planting is harvested numerous times with some even having multiple life cycles. Available June through late October, our Calway eggplant is field packed for freshness and superior quality. Handled less than most other packs, see for yourself why our brand of eggplant is consistently one of the best packs in the industry.
